Oh Mary Jane  
She step on a train  
Head for the city lights  
Yearning inside  
To swim with the tide  
And taste it, alright  
Bag on her shoulder  
Breathing the cold  
There by the metal tracks  
She saw it all shine  
And swore in her mind  
She'd never go back

And she don't mind the late night  
Late night radio  
She don't mind the late night radio  
She don't mind the late night  
Late night radio  
Na na

Couldn't have dreamed  
The things that she seen  
There on the avenue  
She stared right into a million eyes  
That looked her right through  
Telling red Joe  
The places she's go  
And wiping the table clean  
She got no idea  
The demon of fear  
Or what a broken heart mean

And she don't mind the late night  
Late night radio  
She don't mind the late night radio  
She don't mind the late night  
Late night radio  
Na na na na na not at all  
Na na

New York was dark

Dirty and stark  
Burning with yellow wings  
Everyday come  
With fever and hum  
Who knows what it brings  
Walking a wall  
Without a thought  
To fall and hit the ground  
Sweet Mary Jane  
With eyes like the rain  
Alive to the sound

And she don't mind the late night  
Late night radio  
She don't mind the late night radio  
She don't mind the late night  
Late night radio  
And she don't mind the late night  
Late night radio  
She don't mind the late night radio  
She don't mind the late night  
Late night radio  
Na na na na
