Remember the times when everyone cried,  
till I sat up and told a joke ; they'd laugh  
Remember the nights we couldn't get home,  
cause I got caught in fights, even then we laughed.  
We kept it minded in the end, we'd make it home,  
we'd have it all this great.  
Remember times when everyone changed,  
and in the end even you will change your way.

Remember times when everyone cried,  
till I stood up and told a joke  
they'd laugh  
Remember nights we couldn't get home,  
cause I got caught in fights  
even then we laughed.  
We kept it mind that in the end  
We'd make it home  
We'd have it all  
it's great  
Remember times when everyone changed  
And in the end even you will change your way

Remember times when everyone cried  
till i stood up and told a joke  
they'd laugh  
Remember nights we couldn't get home,  
cause I got caught in fights  
even then we laughed.  
We kept it mind that in the end  
people like us always stay thesame

Wanted to drive home on a saturday night,  
Now we couldn't go home  
it didn't feel so right.  
Say : "hey now, where do we go now?"  
I say : "hey now, where do we go now?" (x2)

There must be better places on this earth,  
than Paris, London or New York.  
Where fashion rules and common sense,  
is no more than a drag.

a no mans land without a key  
is not the place  
its not what's best for me.

Wanted to drive home on a saturday night,  
though we couldn't go home,  
it didn't feel so right.  
Say : "hey now, where do we go now?"  
I say : "hey now, where do we go now?" (x2)

Wanted to drive home on a saturday night,  
though we couldn't go home,  
it didn't feel so right.  
Say "Hey now, where do we go now?"  
I say "Hey now, where do we go now?"
