(Williams)

Give me the beat boys

Give me the beat boys

Day after day I'm more confused

But I look for the light through the pouring rain

You know that's a game that I hate to lose

I'm feeling the strain

Ain't it a shame

(Chorus)

Give me the beat boys and free my soul

I wanna get lost in the rock and roll

And drift away

I'm beginning to think that I'm wasting my time

And I don't understand the things I do

The world outside looks so unkind

Now it's up to you

To carry me through

(to Chorus)

And when my mind is free

You know the melody can move me

And when I'm feeling blue

The guitar's coming through to soothe me

Thanks for the joy you've given me

I want you to know that I believe in the song

You help me along

You're making me strong

Give me the beat boys

Give me the beat boys

(to Chorus)
