Silent talks  
In a cold room, lost  
Thoughts are gone  
I'm alone

Wonder why  
Why the faults were mine

Should I promise this?  
Day by day  
I need you  
Hold you

Can't my eyes just tell?

Claim for pain  
Was it all in vain?

New sad days to come  
Many smiles we've done  
Mourning face  
In an abandoned fate

My mind is blind  
But I still believe  
The truth in shadows  
Lies ad me

Don't take my freedom  
Is all I've got  
Can't force my reason  
For lovers knot  
I'm lonely and lost

Don't mistreat me  
Don't dismiss me  
In joy and sorrow

Find a meaning  
Keep on dreaming  
It is so hard to learn

Here I stand  
In a castle of sand  
Who can help me then?
