(Bittencourt, Matos)  
Sat beside the meadow  
Watching weeds agrow  
Cleaned up all the ashes  
Of my soul  
Wrote down my own sentence  
Now you take your way  
Fades the last remembrance  
Of your lovely pretty face  
I, after all,  
Just a lonely man - a lonely heart!  
Working on the future  
Floating on fate  
Faced the circumstances  
Cleared up the shades, so  
Make believe  
There's no sorrow in your eyes  
Can't you see  
We could never get back from the start  
Minutes waiting, life's been wasted  
... maybe I wanna die some other day  
Hear the whispers of your hope  
The answer wasn't told  
No, don't laugh seeing me cry  
The end I've left behind  
(... the whispers of your hope are left behind!)  
Make believe  
There's no sorrow in your eyes  
Can't you see  
We could never get back from the start  
Minutes waiting, life's been wasted  
And I've tried,  
Maybe you deny  
Words of peace  
For the future of our lives  
Bring to me  
Something else than a broken heart  
I won't wait 'till my life is wasted  
... maybe I wanna die some other day
