EDU: Woke up to life not long ago
God will take it back someday
You think your mind is in control?
It's not so hard to understand

Father Universe brings Love and Hate
They say the world has good and bad

Glorious - You'll lead the way
To free the world from these chains
Glorious - Your story now begins, Oh!
Fire!
Unleash the angel of the Light
Thank him for bringing us to life

Lucifer is just a name!
Just look around, I'm not insane!
Satan is a child of our God
We are the only ones to blame
Glorious - Don't be afraid
To lead the way with thy sword
Glorious - You are the chosen one. Go!
Spread your fire
SABINE: Salve ara, salve victima
EDU: Spread your fire
SABINE: De passionis gloria
EDU: Spread your fire
SABINE: Qua vita mortem pertulit
EDU: Spread your fire
SABINE: Et morte vitam reddidit

Glorious - Don't be afraid
To lead the way with thy sword
Glorious - You are the chosen one. Go!

EDU: Spread your fire
SABINE: Salve ara, salve victima
EDU: Spread your fire
EDU: Spread your fire
SABINE: De passionis gloria
SABINE: Qua vita mortem pertulit
SABINE: Et morte vitam reddidit
