(Matos)

Days of pounding emptiness
Just do far away, no regret
to live beside the danger

Running out of carelessness
Still unliked the tips of a bridge
That gets no one to nowhere

Let me run away
Free from lies, I won't forget
Escaping from these chains
I'll meet my love
Once again flying
Cloud from heaven

So, now?
Tell me how
To walk the streets of tomorrow
Someday, somehow, then we'll know
How things went wrong

And how?
Show me now
To live in peace no forever
The moment remains
And flows... don't let it go!

How do you stay
Down and pray
Let me know
The things you've done on your own...
(tell me right now, baby...)

How do you stay
Down and pray
Let me know
The things you've done on your own...

Let me run away
Free from lies, I won't forget

Escaping from these chains
I'll meet my love
Once again flying
Cloud from heaven

So, now?
Tell me how
To walk the streets of tomorrow
Someday, somehow, then we'll know
How things went wrong

And how?
Show me now
To live in peace no forever
The moment remains
And flows... don't let it go!
