[Verse One:]

Like Cleopatra  
Got the masses at my feet  
Got a living dwell  
Down on easy street  
I'm the latest craze (oh yeah)  
And if you stay a while  
Inevitably  
You gone be bitin' my style  
In your later days (well, well, well)  
Let me tell you what is fact  
And what is true  
I get high and that aint that much to do  
I'm always in a daze (uh huh)  
That was just a dream I had  
Last night in my bubble bath  
Next to my wishing well  
Oh yeah, you betta

[Chorus:]

Get up, get out  
And do somethin'  
Don't let the days of your life pass you by  
You got to  
Get up, get out  
And do somethin'  
How will you make it if you never even try  
Get up, get out  
And do somethin'  
Can't spend your whole life tryin' to get high  
You got to get up, get out  
And do somethin'  
'Cause you and I have to do  
For you and I

[Verse Two:]

What's been happenin'  
How you doin'  
Where you been  
I'm further behind now  
Than I was back then

Lost in some old maze (uh huh)  
Some years have passed me by  
All I want is to go get high  
I'll get it together  
Some other day

[Bridge:]

In my dreams I dwell (uh huh huh)  
'Cause all my dreams are swell (woo, woo, woo)  
You would too  
If you could see them  
That's what I know  
I gotta go  
Get up  
Get out and (yeah)

[Verse Three:]

Heaven's at my feet  
Got a living dwell  
Down on easy street  
I'm the latest craze (uh huh)  
It's just a dream I had  
Last night in my bubble bath  
Next to my wish--yeah, yeah, yeah-yeah

[Chorus]

Why don't you do somethin'?  
[repeat with chorus til end]
