I always knew this day would come
We'd be standing one by one
With our future in our hands
So many dreams so many plans

Always knew after all these years
There'd be laughter there'd be tears
But never thought that I'd walk away
with so much joy but so much pain
And it's so hard to say goodbye

But yesterdays gone we gotta keep moving on
I'm so thankful for the moments so glad I got to know
ya
The times that we had I'll keep like a photograph
And hold you in my heart forever
I'll always remember you

Nanananana

Another chapter in the book cant go back but you can
look
And there we are on every page
Memories I'll always save
Up ahead on the open doors
Who knows what were heading towards?
I wish you love I wish you luck
For you the world just opens up
But it's so hard to say goodbye

Yesterdays gone we gotta keep moving on
I'm so thankful for the moments so glad I got to know
ya
The times that we had I'll keep like a photograph
And hold you in my heart forever
I'll always remember you

Everyday that we had all the good all the bad
I'll keep them here inside
All the times we shared every place everywhere
You touched my life

Yeah one day we'll look back we'll smile and we'll laugh
But right now we just cry
Cause it's so hard to say goodbye

Yesterdays gone we gotta keep moving on
I'm so thankful for the moments so glad I got to know
ya
The times that we had I'll keep like a photograph
And hold you in my heart forever
I'll always remember you

Nanananana

I'll always remember you
I'll always remember you
