Is it wrong to break the rules  
When the rules are made for breaking  
If you go and ask Bill Clinton  
What is sexual relation  
Like a dancer on the stage  
Who's ass was made for shakin'

She'll leave ya high and dry  
And say ya must have been mistaken  
It's wrong to be a cowboy  
Who's never rode a horse

It's wrong to be a dealer  
Who's never met his source

It's wrong to go out hunting  
While your riding on a date

It's wrong to go out fishing  
With my rod for jailbait

We are the leaders of the wasteland  
HERE WE GO  
Decendents of a madman  
HERE WE GO  
We got ourselves a new plan  
HERE WE GO  
It's time to get out of hand  
HERE WE GO

PLAY THAT BEAT.....

Is it wrong to exercise while sitting on the sofa  
Is it wrong I got a quarter in my penny loafer  
Is it wrong to date your cousin if you grew up in  
Kentucky  
Is it wrong to go down south if you know the box is  
funky  
Is it wrong to eat a hoho when you don't know the ho  
Is it wrong to use Rogaine, you know that shit won't  
grow

Is it wrong to hug a friend who's name you can't  
remember  
Is it wrong to join a club if they only got one member

We are the leaders of the wasteland  
HERE WE GO  
Decendents of a mad man  
HERE WE GO  
We got ourselves a new plan  
HERE WE GO  
'Cause I'm a get out of hand  
HERE WE GO

We are the leaders of the wasteland  
HERE WE GO  
Decendents of a madman  
HERE WE GO  
We got ourselves a new plan  
HERE WE GO  
'Cause I'm a get out of hand  
HERE WE GO

Is it wrong to kill a man, who's killed a man before  
Is it wrong to kill a baby in three months or is it four  
Is it wrong to get by,  
Is it wrong to get high,  
Is it wrong that they die,  
Is it wrong to ask why

We are the leaders of the wasteland  
HERE WE GO  
Decendents of a madman  
HERE WE GO  
We got ourselves a new plan  
HERE WE GO  
'Cause I'm a get out of hand  
HERE WE GO

We are the leaders of the wasteland  
HERE WE GO  
Decendents of a madman  
HERE WE GO  
We got ourselves a new plan  
HERE WE GO  
'Cause I'm a get out of hand  
HERE WE GO
