My time coming, anyday, don't worry about me, no

Been so long I felt this way, I'm in no hurry, no

Rainbows and down that highway where ocean breezes
blow

My time coming, voices saying they tell me where to
go.

Don't worry about me, nah nah nah, don't worry about
me, no

and I'm in no hurry, nah nah nah, I know where to go.

California, preaching on the burning shore

California, I'll be knocking on the golden door

Like an angel, standing in a shaft of light

Rising up to paradise, I know I'm gonna shine.

My time coming, anyday, don't worry about me, no

It's gonna be just like they say, them voices tell me so

Seems so long I felt this way and time sure passin' slow

Still I know I lead the way, they tell me where I go.

Don't worry about me, no no no, don't worry about me,
no

and I'm in no hurry, no no no, I know where to go.

California, a prophet on the burning shore

California, I'll be knocking on the golden door

Like an angel, standing in a shaft of light

Rising up to paradise, I know I'm gonna shine.

You've all been asleep, you would not believe me

Them voices tellin' me, you will soon receive me

Standin' on the beach, the sea will part before me

Fire wheel burning in the air!

You will follow me and we will ride to glory, way up, the
middle of

the air!

And I'll call down thunder and speak the same and my
work fills the

sky with flame

and might and glory gonna be my name and men
gonna light my way.

My time coming, anyday, don't worry about me, no

It's gonna be just like they say, them voices tell me so

Seems so long I felt this way and time sure passin' slow

My time coming, anyday, don't worry about me, no

Don't worry about me, no no no, don't worry about me,
no

and I'm in no hurry, no no no, don't worry about me, no
