What makes a man go crazy when a woman wears her
dress so tight

What makes a man go crazy when a woman wears that
ol' dress so tight

Must be the same ol' thing that make a tom cat fight all
night

Now, why do all the big men try to run a big-legged
woman down

Now, why do all the big men try to run a big ol' woman
down

Must be the same ol' thing that makes a bulldog a
huggling 'round

It's that ol' same thing, now tell me who's to blame

The whole world is fighting about that ol' same thing

What make you feel so good when your baby's in her
evening gown

When your baby get a little bit of an evening gown

Must be that same ol' thing that makes a preacher lay
his bible down

It's that ol' same thing, it's that ol' same thing
