ONCE IN A WHILE

Once in a while will you try to give
one little thought to me
though someone else may be
nearer your heart.

Once in a while will you dream
of the moments I shared with you,
moments before we two
drifted apart.

In love's smoldering ember
one spark may remain.

If love still can remember
the spark may burn again.

I know that I'll be contented
with yesterday's memory
knowing you think of me
once in a while.
