It's been a long long time
I should've seen it coming miles away
It's been a long long time
Things have finally fallen into place

I'll never forget my history
I'll make my own destiny
Wear green and gold so so proudly
So many different cultures
Living together so beautifully
So much heart, so much passion
Makes me want to scream

I wanna jump and scream
In a stadium full of Australians
I wanna jump and scream
In a stadium full of Australians
I wanna jump and scream
In a stadium full of Australians
I wanna jump and scream
In a stadium wearing my green and gold

It's been a long long time
Now we've finally made it down the road
Lyrics
It's been a long long time
And Johnny Warren yes he told us so

It's been about 32 years
But the curse has finally been broken
Now it's been spoken
That we're here to stay
I've never seen so many people
Jump and scream in a stadium
I know we are proud to be Australian

I wanna jump and scream
In a stadium full of Australians
I wanna jump and scream
In a stadium full of Australians
I wanna jump and scream

In a stadium full of Australians
I wanna jump and scream
In a stadium wearing my green and gold

I wanna jump and scream
In a stadium full of Australians
I wanna jump and scream
In a stadium full of Australians
I wanna jump and scream
In a stadium full of Australians
I wanna jump and scream
In a stadium

I wanna jump and scream
In a stadium full of Australians
I wanna jump and scream
In a stadium full of Australians
I wanna jump and scream
In a stadium full of Australians
I wanna jump and scream
In a stadium wearing my green and gold
