Even though I have
Repeat 3x
Fat thighs
Flabby arms
A pot belly still gives good loving

Verse 1

I can't escape the thought that maybe we were
destined too be together
The easy way we love confirms the fact -
It's just getting better
Dance with me
Flirt with me
Have a little fun
I'm glad to see you are here with me
Let's have a little fun

Repeat Chorus

Verse 2

We got to take a walk along the shore
It's fine sunny weather
The waves make their way across our toes
So good to be together
Dance with me
Flirt with me
Have a little fun
I'm glad to see you are here with me
Let's have a little fun

Repeat Chorus

Verse 3

In another time I could say I love you
I love you
With your sweet hand in mine
I could say I need you
I need you every day and every hour

In the morning, in the evening time
It still gives good loving

After breakfast, after dinnertime
It still gives good loving
Summer-loving in the wintertime
It still gives good loving
Honey-loving only yours and mine
It still gives good loving
