My baby's fine, he always keeps me guessing
But never keeps me guessing about his love
He's had more girls than Howard Hughes had money
And you may think it funny when I say he loves me only
But who are you to say what he does when I'm not
around
Just because I fell in love with Casanova Brown

Act 2, scene 5 is my command performance
My name is Clairvoyance and it's all too dear
I was the one who said tune in tomorrow
I love to do bone marrow even when I am sleeping
Who are you to say what I did when you weren't around
Just because I fell in love with you Casanova Brown

Standing room only, the concerts so loud
Everyone's there for the party, the hush turns to a
shout
Everyone's got a piece of the pie of you and I
But nobody knows when the lights go down
That the tears fall harder than the whole dam crowd

Throw it down my love, is just about all I can do
Wasn't I the one who said, "I'll have my cake and eat it
too"?
Just couldn't wait any longer, you pushed till I was
through
I love you so, it hurt me but I had to let, let you go
Did you hear me crying, baby? It sounded little bit like
this

You didn't have to make me cry
Tell me did I ask you why
It's over, over, it's over, it's over, it's over, over
Over before the love turns to hate
Let it end and let's still be friends
Ooh, ooh, ooh, baby
