All the lady macks that's hustling on my track say,
"Give me your love, give me your love,"
All the lady macks that's hustling on my track say,
"Give me your love, give me your love,"
All the lady macks that's hustling on my track say,
"Give me your love, give me your love,"
All the lady macks that's hustling on my track say,
"Give me your love, give me your love,"

Give me your love, give me your love, give me your
love,
Give me your love, give me your love, give me your
love,
Give it to me good, give it to me good,
Give me you love, it's good, so good
Give it to me good, give it to me good,
Give me you love, it's good, so good

(Alia Rose)

Want you so bad, can't even get mad at you,
What a thing, you really swing and I feel so good, it's
true
You're such a guy and you make my lungs sigh,
Breathing in the air,
Loving you I really know, child, just how much I care,

Give me your love, (Give me your love),
Give me your love, (Give me all your love),
Give me your love,
Give me your love, (Give me your love),
Give me your love, (Give it, give it to me, baby),

I need your love (Ooh, baby),
I want your love (Ooh, baby),
I need your love (Ooh, baby),
I want your love (Oh baby, awww),

(Teena)

Send a little tingle all up and down my spine,
Make every movement change, make love all through
the night,

I want to be a part of you, keep our thing up tight,
Keep the faith in all you do 'cuz everything is alright,

Give me your love, (Give me all you love)
Give me your love, (Give me all you love),
Give me your love,
Give me your love, (Give me all your love),
Give me all your love, (Ooh, ooh baby),
I need your love, (Ooh, baby),
I want your love, (Whoo, baby),
I need your love, (Ooh baby)
I want your love (Ooh, baby, awwww),

(Whooo),
Give it to me good, give it to me good,
Give me you love, it's good, so good, (It's good, so
good),
Give it to me good, give it to me good,
Give me you love, it's good, so good, (It's good so
good),
Give it to me good, give it to me good,
Give me you love, it's good, so good, (It's good so
good),
Give it to me good, give it to me good,
Give me you love, it's good, so good ,(It's good, it's
good),
Give me your love, give me your love, give me your
love,

(Alia Rose)
Preparing for tomorrow, you do what you have to do,
I share the weight, whatever fate plans to bring to you,
(Teena)
Don't worry 'bout no attitude, you just be yourself,
'Cuz I could live with you in solitude and need no one
else,

(Chorus)
Give me your love, (Give me your love)
Give me your love, (Give me all your love)
Give me your love,
Give me your love, (Give me all your love),
Give me your love, (Whoo, ooh, baby),
Give me your love, (Give me your love),
Give me your love, (Give me your love),
Give me your love,
Give me your love, (Give me your love),
Give me your love, (Give it, give it to me baby),

I need your love, (Ooh, baby),
I want your love, (Oh, baby),

I need your love ,(Ooh, baby),
I want your love, (Oh, baby, oh, baby),
I need your love, (Ooh baby),
I want your love, (Oh, baby),
I need your love, (Ooh baby),
I want your love, (Oh, baby, hey baby),
I need your love, (Send a little tingle),
I want your love, (Up and down my spine),
I need your love, (Make me wanna love you),
I want your love, (You really blew my mind).
