"Lead Me On"

Turn around to see you in a crowded place
I watch for the emotions on a guarded face
Saying, "Lead me on"

Victim of a dream and a memory
But when I try to break free
You say to me, "C'mon, lead me on"

A matter out of time in the reaches of space
Caught up in the patterns in the light of a life
Walk across the bridge to the shadows of the night

Saying, "Lead me on"
Lead me on
Lead me on
On and on
Lead me on

Voices in the night chase the demons away
Looking in the mirror it's easy to say
Lead me on

The choices of a lifetime in the dreams of a day
When the coast is gettin' clearer
I hear you say, "C'mon and lead me on"

A matter out of time in the look on your face
Caught up in the patterns in the light of a life
Walk across the bridge to the shadows of the night

Saying, "Lead me on"
Lead me on
Lead me on
On and on
Lead me on

Talk to me of lightning, I'll hear what you say, my love
Reaching for the meaning, it's all of the way
I can keep believing in you and me, my love
Finding the answers that we need sometimes it's
meant to be

Lead me on

Turn around to see you in a crowded place
I watch for the emotions as they cross your face
Saying, "Lead me on"

I see you in a dream and a memory
A captive of the light you say to me
"C'mon and lead me on"
C'mon and lead me on
C'mon and lead me on
Lead me on

Lead me on
Lead me on
C'mon and lead me on
Lead me on
