We got a name for guys like you
Mr. Icecream, Mr. Icecream
Mr. Icecream you're so cold, Mr. Icecream
Smooth talking ladies' man
The time is come for me to tell you who and what I am
I ignored the danger sign, I held on to you tight
Just like the grapes cling to the vine
I was only seventeen, a virgin to your love
A stranger to your dreams
You talked about sincerity
You wanted most to turn me out exclusively
And baby, baby I was like a child
And then you tried to drive me wild
Baby, you never had time for me
We got a name for guys like you
I'm gonna call you Mr. Icecream
'Cause you're just too cold
I'm gonna call you Mr. Icecream
'Cause you're just too cold
I'm gonna call you Mr. Icecream
'Cause you're just too cold
I'm gonna call you Mr. Icecream
'Cause you're just too cold
Hey, Mr. Superfine
The time is come for me to lay it right here on the line
I'll give up the tenderness
All I ask of you is that I get my due respect
Give me my promise when I get home, baby
You're so sexy, sir, you're so beautiful
I mean, as far as lovers go
I need more than satin sheets
Sweet sincerity, I need your love for keeps
'Cause baby, baby, I'm a woman now
And you don't have to show me how
Baby, you better make time for me
We got a name for guys like you
I'm gonna call you Mr. Icecream
'Cause you're just too cold
I'm gonna call you Mr. Icecream
'Cause you're just too cold
I'm gonna call you Mr. Icecream

'Cause you're just too cold
I'm gonna call you Mr. Icecream
'Cause you're just too cold
Baby, baby, baby, drives me crazy
Baby, baby

Baby, baby
You're too cold, baby
(Mr. Icecream)
Too cold, honey
