Ooh  
If your feeling what you see now  
Ooh  
and you'd like to talk to me now  
Ooh  
Play your post oh baby please now  
Ooh  
Got me saying ooh wee now

I never thought I'd find my love supreme  
or someone to fulfill my childhood dreams yeah  
the moment that you walked into the room  
I knew that fairy tales do really come true

It must have been the flowers you gave me  
Or could it be the way you smiled  
I think it was the introduction  
Perhaps it was the kiss baby

Ooh wee  
you were dressed to the nines  
ooh wee  
Fell in love with your vibes  
ooh wee  
and that gansta smile ooh ooh hoo wee

Baby, ooh wee  
I ain't lyin I was swaying  
Ooh wee  
Like a 357  
Ooh wee  
Smith wesson magnum, baby baby yeah

Flashback to me and my girls kickin it  
Here in my dressing room we talking sh\*\* boy  
I'm gonna call my perfect man to me  
And sing to him like Nicey 'got to be free'

It must have been the ultra gators  
or could it be the brim you wore  
I think it was the introduction  
Perhaps it was the kiss and baby

Ooh wee  
you were dressed to the nines  
Ooh wee  
You were looking so fine  
Ooh wee  
And that gangsta smile  
Oooh hoo wee oooh baby

Ooh wee  
I ain't lyin I was swaying  
Ooh wee  
Like a 357  
Ooh wee  
Smith wesson magnum, baby baby yeah

I'm not the kind of girl who needs expensive things  
(baby no no)  
Don't need no fancy cars, don't need no diamond rings  
(listen to me sugar)  
Just pay attention to my heart, It's everything  
I'll build a castle out of sand  
Fit for a king , Fit for a queen

This brother so fine  
Oooh

Ooh wee  
you were dressed to the nines  
ooh wee  
Fell in love with your vibes  
ooh wee  
and that gansta smile oooh ooh hoo wee

Ooh wee  
I ain't lyin I was swaying  
Ooh wee  
Like a 357  
Ooh wee  
Smith wesson magnum, baby baby yeah

Oooh  
Oh he's comming over here  
And he's got a cane  
Just be easy baby  
Don't let him corrupt you

What's up baby coming through the door  
Peeps on me like head to toe  
Come on wit it what you waiting for?  
Baby boy what's cracking

Ain't nobody like you that's why  
I'm on you like eye to eye  
So good I'm about to testify  
Save me baby

Ooh  
Think I'd like to have that drink now  
Ooh  
(talk to me)  
And you'd like to talk to me now  
Ooh  
Play your post oh baby please now  
Ooh  
Got me saying ooh wee now
