This one here's for all the ladies,
This one here's fir all the sexy ladies,
This one here's for all the ladies,
This one here's fir all the sexy ladies,

I could say that I was born with maids and servants at
my feet,
That everything I ever tasted in this life was sweet,
I could say a sliver spoon was in my mouth when I
appeared,
And the Queen of England whispered to me, in this
very ear (and she said),

My lips my eyes, the way I ride and,
My heart, my soul, I'll do it til I'm, I'm satisfied,
My very essence, the way I dance,
Baby, I'm a rare breed,

Baby, I'm a rare breed,
The only one you'll ever need,
Baby, I'm a rare breed,
I'm that very special one,
Baby, I'm a rare breed,
The only one you'll ever need,
Baby, I'm a rare breed,
Boy, I'm very special,

I could say they broke the mold that day my mama
gave me breath,
And, this I'll do in my way, from my birth until my
death,
I could say I have the world here in my hands and I
believe,
That angels slept beside me to protect my very dreams
(and they said),

My lips my eyes, the way I ride and,
My heart, my soul, I'll do it til I'm, I'm satisfied,
My very essence, the way I dance,
Baby, I'm a rare breed,

Baby, I'm a rare breed,
The only one you'll ever need,
Baby, I'm a rare breed,
I'm that very special one,
Baby, I'm a rare breed,
The only one you'll ever need,
Baby, I'm a rare breed,
Boy, I'm very special,

Cuz I was born to wild, baby, and I love to play, I said, I
love to play,
Cuz, I'm a fine-tuned instrument, baby, it's in my DNA,
it's in my DNA, hey,

Tell 'em who you roll with, tell 'em how you ride,
Tell 'em 'bout ya slick, Rick, do it,
Tell 'em who you be with, (yes, I'm bonafide),
Comin' up as a shawty in the fast lane,
Baby, I'm for real,

I could say that was royalty and this, too would be true,
Cuz I lived on the West-side, baby, and I rolled for you,
I could say that I'm one of the baldest ladies in this
game,
And, if you wanna to ride or die, then don't forget my
name (cuz I said),

My lips my eyes, the way I ride and,
My heart, my soul, I'll do it til I'm, I'm satisfied,
My very essence, the way I dance,
Baby, I'm a rare breed,

Baby, I'm a rare breed,
The only one you'll ever need,
Baby, I'm a rare breed,
I'm that very special one,
Baby, I'm a rare breed,
The only one you'll ever need,
Baby, I'm a rare breed,
Boy, I'm very special,

Baby, I'm a rare breed,
The only one you'll ever need,
Baby, I'm a rare breed,
I'm that very special one,
Baby, I'm a rare breed,
The only one you'll ever need,
Baby, I'm a rare breed,
Boy, I'm very special,

Baby, I'm a rare breed,

Baby, I'm a rare breed,

This one here's for all the ladies,
This one here's fir all the sexy ladies,
This one here's for all the ladies,
This one here's fir all the sexy ladies,
