(Feat. Baby)

Ooh ooh ooh

Ooh ooh yeah (x2)

Verse 1

Tell me baby how long has it been

Here you come and here I go again

I must admit you lookin rather fly

Your a sight for sore eyes (sight for sore eyes)

Situation wasn't quite that cool

Seven years ago we both were fools

But I'm real enough to let you know

That I'm never gonna let you go

Chorus

I'm lovin you, I'm still lovin you baby

I'm still in love

Nobodys gonna take yo place in my life

I'm still in love

I'm lovin you, I'm still lovin you honey

I'm feelin you, what you feelin too now

Verse 2

Whats that look upon your face my dear

Must be magic in the atmosphere

I'ma gonna leave it up to chemistry

Stir it up sugar free (stir it up, stir it up)

Sexy, jumpin, blazin everywhere

My cribs closer honey lets go there

You gotta sister fiening baby please

I'ma bout to be your main squeeze

Chorus

Verse 3

Ah c'mon baby let me stir it up

I'll remix it in my lovin cup

Things are gettin heated lets go chill

I'ma bout to be in yo grill

Sexy, jumpin, blazin nows the time

My cribs closer on the west side now

You gotta sister fiening baby please

I'ma bout to be your main squeeze

Gonna stir it, gonna stir it, gonna stir on up

I'ma stir it on up

Gonna mix it, gonna mix it, gonna mix it in my lovin cup

Gonna stir it, gonna stir it gonna stir it on up

Stir it on up, stir it on up

Gonna mix it, gonna mix it, gonna mix it in my lovin cup

In my lovin cup

All the ladies to my left if you feel what I'm feelin,

holla let me hear ya scream

All my sister to my right if you've been there before,

come and stir it up with me (X2)

Gonna stir it

I'm gonna stir it

Mix it in my lovin cup

I'm gonna mix it (X4)
