Here we go

Personality walk, personality talk  
Personality you got it  
Loving on the eastside  
Loving on the Westside too

Oh, I can tell by the way that you stare  
There's more there than  
What meets these two eyes, baby  
And you'd like to have fun  
But you're under the thumb of another lady like me

You're in a trick bag  
And it's kind of a drag  
You're in a trick bag  
And it's kind of a drag  
It's kind of a drag

Trick, trick bag  
Trick, trick bag

Irresistible walk, irresistible talk  
Irresistible hands on it  
Loving on the weekends  
Loving on the weekdays too

Oh, I can tell by the way that we met  
There's more yet and it's all coming to the light  
And you had it all timed, you know your heart and mine  
As they beat double-time that night

I'm in your trick bag  
And it's kind of a drag  
I'm in your trick bag  
And it's kind of a drag  
It's kind of a drag

Trick, trick bag  
Personality walk, personality talk  
Trick, trick bag  
Irresistible walk, irresistible talk

Kind of a drag when you're in a trick bag  
And there's no way for you to get out  
Didn't you know that I want to get out  
Didn't you know that I want to get out  
Out of your bag

It's kind of a drag in a trick bag, oh  
Kind of a drag in a trick bag, oh  
Kind of a drag when you're in a trick bag

Kind of a drag in a trick bag, oh  
Kind of a drag in a trick bag, oh  
Kind of a drag when you're in a  
Trick, trick, trick, trick bag

Trick bag and it's kind of a drag  
I'm in your trick bag and it's kind of a drag  
It's kind of drag

You are the cat, you know you're the cat  
Whenever you get in a fix  
You reach inside your bag of tricks  
Yes, you are the cat, you know you're the cat  
Whenever you get in a fix  
You reach inside your bag of tricks and trick

Trick bag  
Tricks are for kids  
Trick, trick bag  
Trick, trick bag  
Let the kitty out of the bag

Trick bag  
Let the kitty out of the bag  
Trick bag  
Won't you let the kitty out of the bag

Trick bag  
Trick bag  
Trick bag
