You so heavy, you so heavy
You so heavy, you so heavy, you so heavy

Rescue me and my precious cargo
We have short time to be wed
White knights with silver shadows
Have placed thoughts in my head

The King and I, in a mystery series
Much a-do about
Sheldon's romance sweet novella
And passion crying out

Thoughts of you go to my head
You turn me on, ooo, you so heavy
Turn me on, ooo, you so heavy

Thoughts of you go to my head
You turn me on, ooo, you so heavy
Turn me on, ooo, you so heavy

Consider me and my love ahoy
Sugarcoat me in your path
I'll surrender, I need a little sympathy
When there's no one you can trash

Call on me, I'm your pacifier
When you need some company
Sister can't fly on one wing
So just give her what she needs

You make me feel like drifting
Through my golden years
Thoughts of you go to my head
You turn me on, ooo, you so heavy

You tailor make me
And I'm dressed in secret fears
Thoughts of you go to my head
You turn me on, ooo, you so heavy, heavy, heavy
You turn me, you turn me on

Thoughts of you go to my head
You turn me on, ooo, you so heavy
Turn me on, ooo, you so heavy

Thoughts of you go to my head
You turn me on, ooo, you so heavy
Turn me on, ooo, you so heavy

Oh, rescue me and my precious cargo
We have short time to be wed
I'll surrender, I need a little sympathy
I need a little sympathy, I need a little heavy, heavy

I need a little heavy, heavy
I need a little heavy, heavy
I need a little heavy, heavy
I need a little heavy

I need a little hey, I need a little hey
I need a little hey, I need a little hey, hey, hey
