It's so rough you gotta stay tough  
(gotta stay tough in these streets)  
Keep your heads up

It's so rough you gotta stay tough  
(gotta keep your head up homeboys)Keep your heads  
up

It's so rough you gotta stay tough  
(it's to everbody out there)  
Keep your heads up

It's so rough you gotta stay tough  
(once again your homeboy Capone-E)

[Chorus:]  
If there is  
Life of a gangster (life of a gangster life of a gangster)  
Those who not here on the streets to between world  
peace (bald head peace blad head peace)  
If there is  
Life of a gangster (life of a gangster life of a gangster)  
Though with neighborhood props making shots by the  
cops (so rough so rough)

[Verse 1:]  
So rough so tough let me tell you something  
Is there a heaven for a g that's what i been wondering  
Broken lights drug abuse all kinds of crimes  
Youngster on the corner slingin them nickels and  
dimes  
One times places us on arrest fill the rano being tough  
it's another drug bust  
With the schools on the corner with the windows locked  
All the homies gettin popped closing off the block  
With the birds on my sky  
Just to live and die  
Politicians passing bills just to keep self devise  
Homicide gang junction in place  
There's no turning back tattoos filling the face  
Smiling now quiet leader it's the attitude

Crash units setting there marks to make there moves  
Faces bruised with the knuckles bust  
Trippin off efita dust living life so rough

[Chorus:]

If there is

Life of a gangster (life of a gangster life of a gangster)

Those who not here on the streets to between world

peace (bald head peace blad head peace)

If there is

Life of a gangster (life of a gangster life of a gangster)

Though with neighborhood props making shots by the  
cops (so rough so rough)

[Verse 2:]

Well it's brutality

Everybody got more enemys the homies packing glock

Everbody having felonys

Dirty money just to pay the rent

Fuck the president never gave a neighborhood a cent

They got money for war that can't feed the poor

So we join gang now we labeled hardcore

For to survive product of the system

Been out of jail and my cousin i miss him

It's that rough life so you got to earn your stripes

Its do or die just to survive

All these homicide pee wees

Gettin caller and hurt

Tryin to do right but the haters on every corner

Everybody representing drinking some bud

Gettin drunk at the club

Gettin kicked out for acting up

Livin rough can't get no peace

Survival of these feria of these man made streets

[Chorus:]

If there is

Life of a gangster (life of a gangster life of a gangster)

Those who not here on the streets to between world

peace (bald head peace blad head peace)

If there is

Life of a gangster (life of a gangster life of a gangster)

Though with neighborhood props making shots by the  
cops (so rough so rough)
