Yeah, yeah, yeah

Uh yeah, uh yeah, uh yeah

Uh yeah uh yeah (c'mon now) uh yeah

If you want it right now,
I'm gonna give it to you,
You got a piece of my heart,
And you're my best friend too (what)
Let them say what they want,
Whatever they wanna do,
It doesn't matter at all,
I got a friend in you (girlfriend c'mon).

I never would have thought it,
That you make me feel this way, (say what)
Is the way you're callin',
Maybe say you wanna play,
I will show you something you're not used to do,
Let's get on, baby, let's start something new (I'll sing it
for you)

If you want it right now,
I'm gonna give it to you,
You got a piece of my heart,
And you're my best friend too
Let them say what they want,
Whatever they wanna do,
It doesn't matter at all,
I gotta friend in you.

The way we connected (yes yes)
Made me know that this was true (right)
Never had expected (oh yeah)
What you do my man can't do (girlfriend)
It's the way you get down,
And get around, and play around (c'mon now)
That makes me wanna stay around and be around with
you (to you girlfriend)

It may be wrong,

But please be strong,
We both will try to make us tough,
You know that we can write history,
But you're my friend,
I'll be there 'till the end.

Uh yeah uh yeah uh yeah
Uh yeah uh yeah uh yeah

If you want it right now,
I'm gonna give it to you,
You got a piece of my heart,
And you're my best friend too
Let them say what they want,
Whatever they wanna do,
It doesn't matter at all,
I gotta friend in you.

Who you gonna call when it's stoppin' you to bone,
Who can make you smile, maybe drive you at the wow,
(me)
Who can be your only that can be hooked with Sony,
(I'm bad)
Who can be your tenderoni, no I'm not the phoney,
'Cause you're my best friend and I know I got you back,
(that's right)
We can sail the seas, maybe hang out in my shack,
(c'mon)
The game is set, we be like tight, no sweat,
Stay mine, stay forever, I'll be yours, no regret, alright.

If you want it right now,
I'm gonna give it to you,
You got a piece of my heart,
And you're my best friend too
Let them say what they want,
Whatever they wanna do,
It doesn't matter at all,
I gotta friend in you.

If you want it right now,
I'm gonna give it to you,
You got a piece of my heart,
And you're my best friend too
Let them say what they want,
Whatever they wanna do,
It doesn't matter at all,
I gotta friend in you.

Oh yeah oh yeah oh yeah
Oh yeah oh yeah oh yeah

If you want, (oh yeah oh yeah)
Piece of my, (oh yeah oh yeah)
Let them say,
What they want.
