Yeah, yo, c'mon,
Uuuuh, bring it on,
C'mon c'mon 'cmon

A E A E I O U U
I sometimes cry,
A E A E I O U U (I owe you)
I sometimes lie.

A B say baby, you treat me like you used to,
Or you really should be,
Twist that feeling so alone, (what what)
Have a guy now, tied up in my own zone,
I get so lonely when you phone me,
So remembering all the girls that owe me,
Feeling guilty when you told me all your lies (owe me),
Flash da ego, I trusted your deny,
That's what you like to shine, when you're nice,
When you got me over to love to certain heights,
I laugh when I try not to cry,
In front of your eyes it's to dark nevermind,
These songs carry ya,
Berried ya,
But in my dreams I married ya,
Can't get with it, 'cause you know that I'm sharing ya,
In a way I know you,
But I can't show you,
'Cause you try to hide something,
But I know you.

A (uh) E A E I O U U
I sometimes cry, (I sometimes, I sometimes cry)
A E A E I O U U (A E I O U U U)
I sometimes lie.

Rather be some kid pickin' me,
Playin' in the grass while that someone lickin' me,
Well was a flame with my pain and I shaved,
Used to be plain and with rain in this game,
Caught up in a new type of living,
Used to be protected,

Now I'm only giving,
'Cause love is tense,
Laughter in a sense,
Try to see clear,
It all seem dense,
But as time goes by,
I wonder why (ABC)
You had to get me open and say bye bye,
I need your touch (oh oh oh)
Only so much that you put me down, (mmmmm)
You get me up, so listen now.

A E (E) A E I O U U
I sometimes cry,
A E A E I O U U (Oooh ohh yeah)
I sometimes lie.

A E A E I O U U
I sometimes cry, (I cry)
A E A E I O U U (I O U)
I sometimes lie, (Yeaaaaaah oh oh).
