(feat. Little T)

Yo what's up,  
This is Little T out of a Copenhagen tone,  
I'm ???  
Millennium two,  
Well, I wanna introduce you to my girl,  
All over the world.

This year Miss Mukupa gone clear,  
People round the world,  
I will when the mere,  
Don't the sound of the African daughter so dear,  
Man goin' to cheer,  
And girl of them fear,  
I swear,  
Miss K, ???.

This all catchy, I gonna give away,  
Round the rang and I will ray ray,  
Just listen good when me say,  
Mukupa's law, everyday, all the way.

????  
This all catchy, I gonna give away,  
Round the rang and I will ray ray,  
Just listen good when me say,  
Mukupa's law, everyday, all the way.

Just listen good when me say,  
Mukupa's law, everyday, all the way.
