You're the one for me, (what's up Karen?)  
No, no, no mistake,  
You're the one for me,  
No, no, no mistake,  
You're the one for me,  
No, no, no mistake,  
You're the one for me,  
I'm the one for you.

You make my heart drop,  
Oh oh, you're so hot,  
Uh uh, I gotta have you,  
I do, when I'm walking down the street,  
You were looking back at me,  
At the bus stop at the mall,  
I make my eyes shut,  
Ah, shake it all.

There's just something 'bout you babe,  
That drives me crazy.

Whatever you do, it's no mistake,  
You got my heart, I cannot fake,  
It is a feeling I can't escape,  
Would it be me, could it be me, should it be me,  
To turn you on,  
When you're down, I will be strong,  
When you're lonely I will be home,  
Waiting for you, you know it's true,  
Used to be cool, yeah.

Make it all stop, oh yeah,  
And you can heart a penny drop,  
So let me move you,  
Tonight, tonight is the night,  
We're gonna make it all right,  
In the bedroom, on the floor,  
There's no need for me to look no more.

There's just something 'bout you babe,  
That drives me crazy.

Whatever you do, it's no mistake,  
You got my heart, I cannot fake,  
It is a feeling I can't escape,  
Would it be me, could it be me, should it be me,  
(whatever you do)  
To turn you on, (understand)  
When you're down, I will be strong, (no no)  
When you're lonely I will be home. (whatever you do)

If you only knew,  
The way I feel for you,  
I'm sure that you'd be right here just for me,  
I know you're the one,  
Perfect like the sun,  
Take my hand, understand, baby, you're my time.

Whatever you do, it's no mistake,  
You got my heart, I cannot fake,  
It is a feeling I can't escape,  
Would it be me, could it be me, should it be me,  
To turn you on,  
When you're down, I will be strong,  
When you're lonely I will be home,  
Waiting for you, you know it's true.

Whatever you do, it's no mistake, (you're the one for me)  
You got my heart, I cannot fake,  
It is a feeling I can't escape, (you're the one for me)  
Would it be me, could it be me, should it be me, (no no no mistake)  
To turn you on, (you're the one for me)  
When you're down, I will be strong,  
When you're lonely I will be home, (you're the one for me)  
Waiting for you, you know it's true, (no no no mistake)  
Used to be cool, yeah.

You're the one for me,  
I'm the one for you. (no no no mistake)  
You're the one for me,  
I'm the one for you. (no no no mistake)  
You're the one for me,  
I'm the one for you. (no no no mistake)  
You're the one for me,  
I'm the one for you. (no no no mistake)

No no no mistake (oh yeah)  
No no no mistake (oh yeah)  
No no no mistake (oh yeah)
