They wanna kill me,  
They wanna stop me,  
They wanna lock me,  
They wanna drop me,  
They wanna tilt me,  
They won't believe me,  
They wanna fuck me,  
They can't touch me.

They wanna kill me,  
They wanna stop me,  
They wanna lock me,  
They wanna drop me,  
They wanna tilt me,  
They won't believe me,  
They wanna fuck me,  
They can't touch me.

One day at a time,  
That's what it takes,  
Peoples said stop,  
But I never put my brake,  
So even though got in this music industry,  
I had to move on,  
'Cause I was gifted lyrically,  
Yes indeed, I wanna live large,  
I believe,  
I keep my eyes open so I never get to see,  
With their receipt from all around me  
Things I that's out of range positivity,  
To my inquire what exactly you desire (Miss Mukupa),  
Rap stars living on is older than acquire,  
Like Lauryn Hill,  
Let the music take you higher,  
And if you wanna shake it,  
Let somebody light a fire.

They wanna kill me,

They wanna stop me,  
They wanna lock me,  
They wanna drop me,  
They wanna tilt me,  
They won't believe me,  
They wanna fuck me,  
They can't touch me.

They wanna kill me,  
They wanna stop me,  
They wanna lock me,  
They wanna drop me,  
They wanna tilt me,  
They won't believe me,  
They wanna fuck me,  
They can't touch me.

Shake it like a tank top,  
Right.

My destiny was written in the stars,  
Money with the flow and kinda beats and bars,  
The name and dough, my baby gives a lot of  
conciliation,  
And my destination with no hesitation,  
I'll be riding high at pop-dough's waves,  
Up till now I only been musical slave,  
Coming my way you know that I slow,  
Both the guys give credit that war,  
So I give thanks for the goddess that he gave me,  
And I give thanks for the paths that he showed me,  
Now I gotta go for it,  
And maybe even confront it,  
When I get on track, can't nobody stop it,  
The heart, to take it, above and wanna stay strong,  
Connect like the bomb,  
The concept's clear,  
If you lent me an ear,  
I'll be the sweetest flavour in your atmosphere, uh.

They wanna kill me,  
They wanna stop me,  
They wanna lock me,  
They wanna drop me,  
They wanna tilt me,  
They won't believe me,  
They wanna fuck me,  
They can't touch me.

They wanna kill me,  
They wanna stop me,

They wanna lock me,  
They wanna drop me,  
They wanna tilt me,  
They won't believe me,  
They wanna fuck me,  
They can't touch me.

They wanna kill me,  
They wanna stop me,  
They wanna lock me,  
They wanna drop me,  
They wanna tilt me,  
They won't believe me,  
They wanna fuck me,  
They can't touch me.

They wanna kill me,  
They wanna stop me,  
They wanna lock me,  
They wanna drop me,  
They wanna tilt me,  
They won't believe me,  
They wanna fuck me,  
They can't

They wanna kill me,  
They wanna stop me,  
They wanna lock me,  
They wanna drop me,  
They wanna tilt me,  
They won't believe me,  
They wanna fuck me,  
They can't touch me.

They wanna kill me,  
They wanna stop me,  
They wanna lock me,
