Wake up, wake up, wake up, wake up now,  
Let's wake the dawn and ask her why,  
I try to hold back but it's so hard to do.

One light would make it all up to me  
(Tell me what you want, tell me what you need)  
Can't help this feeling you start in me,  
(Take your time, I know you're mine)  
Turn up the TV, the stereo too,  
I got no secrets, boy, when it comes to you, yeah yeah  
yeah.

Wake up, wake up, wake up, wake up now,  
Let's wake the dawn and ask her why, (ask her why)  
I try to hold back but it's so hard to do.

Get up, get up, get up, get up now  
Don't you see the angels, don't you hear them sigh,  
(hear them sigh)  
I got no secrets, boy, when it comes to you, yeah yeah  
yeah.

It's not your play dead I can't deny,  
(I feel your arms around me and in your eyes I drown)  
What's broke is all I need to justify,  
(I strip down, let me hear it down)  
Can't sleep at night, 'cause I'll be thinking of you,  
Can't wait for the sun to come to take the morning too.

Wake up, wake up, wake up, wake up now,  
Let's wake the dawn and ask her why, (ask her why)  
I try to hold back but it's so hard to do (so hard to do).

Get up, get up, get up, get up now (now)  
Don't you see the angels, don't you hear them sigh,  
(hear them sigh)  
I got no secrets, boy, when it comes to you.

Wake up my child,  
Look what you got,  
You never seem to see,

What you mean to me.

Wake up my child,  
Look what you got,  
You never seem to see,  
What you mean to me (mean to see, yeah).

Look carefully, I will see,  
The star will shine, constantly,  
In the seas I will explode,  
'Cause this girl got more in store,  
Next time won't be here,  
This time, let me stop the rain,  
There's no one to blame,  
I blow the fear,  
I will be around, so stop being scared.

Wake up, wake up, wake up, wake up now,  
Let's wake the dawn and ask her why, (ask her why)  
I try to hold back but it's so hard to do (so hard to do).

Get up, get up, get up, get up now (get up)  
Don't you see the angels, don't you hear them sigh,  
(hear them sigh)  
I got no secrets, boy, when it comes to you.

(Wake up my child)  
Wake up, wake up, wake up, wake up now, (look what  
you got)  
Let's wake the dawn and ask her why, (you never seem  
to see)  
I try to hold back but it's so hard to do (so hard to do).

(Wake up my child)  
Get up, get up, get up, get up now (look what you got)  
Don't you see the angels, don't you hear them sigh,  
(you never seem to see)  
I got no secrets, boy, when it comes to you.
