another night, said i have to calm down
another day, be another red light... yeahhh
i heard the sounds see i heard this all at one time
in my hand, whoaaaa-oh, your hand
and everytime we stop see you get a little thrill its all
over then
i know i know

i waited on the feelin' i waited all the time
i hate the sort of feeling when there's someone else in
mind
and its the type of killing
by hearing all the time

(drive me out) we had a long one (fashion), and i was
color-blind
do what i hear you say
maybe never want it see at all, noooooo
it sounds like 1985 in my head
whoaaa-oh your head
and we got out just barely alive
ahh-ahh-ahh-ahh-ahh-ahh-ahh

i waited on the feelin' i waited all the time
i hate the sort of feeling when there's someone else in
mind
and its the type of killing
by hearing all the time

another note is, out on the phone-line
(line clashes wonder what catches)
do you want to hang this, me on the clothes-line
(now im feeling... really such a fine time)

im glad i ran into you
glad im that glad im too
know i dont mind you
im keeping in mind
glad i ran into you
glad i ran over you
ahhhh
