I always knew the way about you
I always knew the way about you

Always on my mind
Always take my time
Take my time and I can
Find my way

I never took the time to see through
I always knew the way about you

Always on my mind
Always take my time
Take my time and I can
Find my way

Always on my mind
Always take my time
Take my time and I can
Find my way

Always on my mind
Always take my time
Take my time and I can
Find my way

Always on my mind
Always take my time
Take my time and I can
Find my way

Take my time and I can
Find my way
Take my time and I can
Find my way
