I'm looking at you
You're looking at me
Between us, it's oh, so easy to see
We were made for each other, girl
We were made for each other

Between us
Love has begun
Between us
Two hearts are one
Between us
Nothing can come between us

Whatever we do
Whenever we kiss
Between you and me, it's not hit n' miss
We were made for each other, girl
We were made for each other

Between us
Love has begun
Between us
Two hearts are one
Between us
Nothing can come between us

Between us
Love has begun
Between us
Two hearts are one
Between us
Nothing can come between us
Between us
Nothing can come between us
Between us
Nothing can come
Nothing can come between us
