I made it through the wilderness
Somehow I made it through
Didn't know how lost I was
Until I found you

I was beat, incomplete, I'd been had
I was set in through but you made me feel
Yeah, you made me feel
All shiny and new

Like a virgin
Touched for the very first time
Like a virgin
When your heart beats next to mine

I made it through the wilderness
Somehow I made it through
Didn't know how lost I was
Until I found you

Gonna give you all my love, yeah
My feeling's fading fast
Been saving it all for you
'Cause only love can last

You're so fine and you're mind
You're strong, yeah, you make me a fool
Your love brought out, yeah
Your love brought out what was going cold

Like a virgin
Touched for the very first time
Like a virgin
When your heart beats next to mine

Woah, woah

You're so fine and you're mind
I'll be yours until the end of time
Because you make me feel
Yeah, you make me feel, I've got nothing to hide

Like a virgin
Touched for the very first time
Like a virgin
When your heart beats next to mine

Woah, woah

Like a virgin
Feels so good inside
When you hug me
And your heart beats and you love me

Like a virgin
Touched for the very first time
Like a virgin
When your heart beats next to mine

Woah, woah
Like a virgin, like a virgin
