More more more

My highs feel low

So I'll go home

To live my life

To live my life

To live my life

I know

My thoughts won't grow

But the cliches go

And I go home

To live my life

To live my life

To live my life

[BREAK]

I know my friends

Has no depends

My thoughts may run

But I'll stay home

To live my life

To live my life

To live my life
