What you do to me...
I know, I can't believe
There's something about you
Got me down on my knees.

What you do to me...
I know, I can't believe
There's something about you
Got me down on my knees.

What you do to me...
What you do to me...
What you do to me...
What you do to me...

What you do to me...
I know, I can't believe
There's something about you

Got me down on my knees.

What you do to me...
I know, I can't believe
There's something about you
Got me down on my knees.

What you do to me...
What you do to me...
What you do to me...
What you do to me...

What you do to me...
What you do to me...
What you do to me...
What you do to me...
