im walking out side to my trampoline  
its the coolest thing that uve ever seen  
i have had it for a very long time  
i just love it when i'm...

jumpin'  
love it when i'm, love it when i'm  
jumpin'  
love it when i'm, love it when i'm  
jumpin'

up, down, all around  
see all the people like ants on the ground  
frontflip, backflip, barrel roll  
just makes me wanna go ask for more...

jumpin'  
love it when i'm, love it when i'm  
jumpin'  
love it when i'm, love it when i'm  
jumpin'

then ends this wonderful time of mine,  
mom says i gotta know when to draw the line  
i dont no why she has to make a fuss  
cuz all the time i wish i was

jumpin'  
love it when i'm, love it when i'm  
jumpin'  
love it when i'm, love it when i'm  
jumpin'  
love it when i'm, love it when i'm  
jumpin'  
love it when i'm, love it when i'm  
jumpin'
