Yeah, it's a lovely sunny day
And I wish it'd go away
'Cause I'm mean
And I've seen it forever

Now, did you notice me today?
Well, I hope not anyway
'Cause I hear that you're thinking
I'm so far down

I didn't know what to say
I didn't know what to do
I didn't know anything anymore
And ooh, I'm all blue baby
Ooh, I'm all blue so long

And you're ugly, through and through
And you think you're ugly too
And I see what you see
And it's so right on

It's a crummy, crummy day
To wake up and anyway
'Cause I feel what I feel
And I'm so far out

I didn't know what to say
I didn't know what to do
I didn't know anything anymore
And ooh, I'm all blue baby
Ooh, I'm all blue so long

And I know what I feel
And I do do believe
I could never be you
So long

And I know what I feel
And I do do believe
Please don't lean on me
Ever too long

(Ever)

Please don't lean on me
Ever too long
(Ever)

Please don't lean on me
Ever too long
Ever too

Every time long
Ever, no
