Any other time of day  
I would ever walk away  
From you 'cause you haven't got a clue

When you always come around  
I know that I maybe sound stupid  
But I want to step on you

If you say another word to me  
I'll make you sorry that you ever came my way  
Another day  
Another day  
Yeah

If you want to be with me  
Think of all my privacy  
I'd appreciate you when you're gone

Doing everything I do  
I wish I was rid of you  
But you stay around me for too long

I know that you'll be here for a long time now  
If I don't make you gone, you're gonna stay  
Another day [4x's]

If you say another word to me  
I'll make you sorry that you ever came my way  
Another day [8x's]
