"Eye to Eye"

You should see them yeah yeah
You won't believe it
We didn't know it then we couldn't see it
any, all we ever do believe it

and then the other times where we don't see eye to eye
enough to make me want to cry

Time was young yeah yeah
the years were ours
but that would go away from her big ego
it would go away now where did she go

and then the other times where we don't see eye to eye
enough to make me want to die

doing all we ever did believe in
didn't even know it
on and on and on we do believe

and even showed them yeah yeah yeah (scream)

you should see them yeah yeah
you won't believe it
We didn't know it then we couldn't see it
any, all we ever do believe it

and then the other times where we don't see eye to eye
enough to make me want to die

doing all we ever did believe in
didn't even know it
on and on and on we do believe

and even showed them yeah yeah yeah

[solo]

doing all we ever did believe in
didn't even know it
on and on and on we do believe

and didn't think to show it
on and on and on we do believe
and didn't think to show it
on and on and on we do believe
and even showed them yeah yeah yeah
oh yeah oh yeah oh yeah
