When I do everything for you
And you say that you want it too
I miss the point completely
And you don't understand

Then I completely get all mad
And look the part and treat you bad
I've more fun laying on a bed of roses

Oh boy, I now can hardly wait
Do everything so you can hate
Behind my back imeuic
And I don't understand

Again I should be telling you
I'll do what I'm supposed to do
I've more fun laying on a bed of roses

There'll be no next time, now
I've seen the light, oh yeah
There'll be no next time, now
La-la la-da-da da

[Repeat Chorus]
