"Not Like Me"

Visit "[Not Like Me](#)" on MotoLyrics.com

Doing everything I can
And I'm feeling okay
Oh yeah
But whenever you are near
I want to run away
Oh yeah

Whenever I come alive
It seems that you are dead
Could you ever take the time
And be a man and say
You are not like me [4x's]

And if you should ever go
Away another day
Oh yeah
There might be a world of me
And I won't be afraid
Oh yeah

Doing the impossible
Where I could never win
And I know what you're thinking
.....
You are not like me [4x's]

[Repeat First 2 Verses]

Me me me me me me yeah
Me me me me me me yeah
