"Oh Nina"

Visit "[Oh Nina](#)" on MotoLyrics.com

Oh Nina from Pasadena
You wanna see her
And she really made a fool of you
She really really made a fool of you

Oh Nina, a ballerina
She is a queer
And she doesn't never have a clue
She doesn't never ever have a clue

Oh Nina, Nina
Oh Nina, Nina
Oh Nina, Nina
Oh Nina Yeah
You'll have a good time
Yeah

Oh Nina from Pasadena
You think it's weird
But she really really wanted to
You're really really really wanting to

[Repeat Chorus]

And now you're drinking some wine
And now you're feeling so fine
And now you're drinking more wine
You wanna see her all the time

[Repeat Chorus 2x's]
