Baby talking all from way back when  
Doin everything, we meet again

Maybe talk to me, but now you wont  
Underneath it all you're all alone

To the other side  
Now I can plainly see  
What you want is everyone  
And no one left for me  
Red eyed troll  
Oh red eyed  
Oh red eyed troll, yeah  
And I don't need your attitude  
I don't need no attitude, oh yeah  
When you pick on me  
When you pick on me  
When you pick on me, yeah

I could never be you and I know  
What you want was over long ago

Little I know what you say about me  
What I got is what you want from me

[Repeat Chorus]

And you're going to come down  
And I know I don't want you around  
I don't want you around, yeah

I don't care what you do to me  
'Cause I don't like you  
Why can't you see  
You piece of shit, now  
You fucking jerk  
You really bore me  
You stupid girl

[Repeat Chorus]
