My dreams are prettier than me  
If I close my eyes, this is what I see  
You are never there, And youâ€™ll never see  
Nevermind the truth  
Nevermind youâ€™ll always be the same

Lying all the time, do you ever sleep  
wake up feeling fine, you donâ€™t even care  
I can never be prettier for you  
Iâ€™m only ever prettier for me

Nevermind the truth youâ€™ll never see  
Nevermind you mean nothing to me  
Nevermind I have no place to go  
Nevermind youâ€™ll never ever know

My dreams are flying through my head  
When I go to sleep, will I wake up dead  
But I will forget, and Iâ€™ll never be  
Prettier for you  
Iâ€™m only ever prettier for me

Nevermind the truth you always say,  
Nevermind the dreams that went away  
Nevermind I have no place to go  
Nevermind youâ€™ll never ever know

Nevermind the truth youâ€™ll never see  
Nevermind you mean nothing to me  
Nevermind I have no place to go  
Nevermind youâ€™ll never ever know

Youâ€™ll never know, youâ€™ll never know  
Youâ€™ll never know
