"What You've Done"

I'd do anything for you
If I could
And I'd do anything to see you
And would

Then I got baby back one day
And now you have to go away
I know you and I know what you've done (oh yeah)

If I ever could believe
That you're true
Still I'd never want to spend
Time with you

One fine day I caught you lying
I don't care now, I'm not crying
I know you and I know what you've done

In anything that I say to you
And you won't go away from me
And when you don't understand
It's me I don't come easy

(Repeat Chorus)
