Verse 1

Do you remember all the times you left without me?
When I wanted to go?
Then you bitch all night to say I should've went with
you,
That I should just know,

Pre-Chorus 1

Where do I belong?
When I don't know what's going on,
Tell me what you need,
Cause you got a mind that I can't read,

Chorus

Can you feel what I feel inside?
Do you have what it takes to speak your mind?
Can you make a mistake and say you're sorry?
I don't know,
So if you want to be with meâ€¦Just don't say no,

Verse 2

Do you remember all the times,
That I wanted to be with you?
And you said "no",
But this time I drove over,
Thought you wanted to be with me too,

Pre-Chorus 2

How can I be sure?
To second-guess my self no more?
Empty lies erase,
That this time you really want your space,

Chorus

Can you feel what I feel inside?
Do you have what it takes to speak your mind?
Can you make a mistake and say you're sorry?
I don't know,
Don't want to play your games cause it's a waste of my
time,
It's never your fault when you always blame mine,

So if you wanna be with me,
Just don't say "no",
