Everyday they pass me by,  
I can see it in their eye.  
Empty people filled with care,  
Headed who knows where?

On they go through private pain,  
Living fear to fear.  
Laughter hides their silent cries,  
Only Jesus hears.

People need the Lord, people need the Lord.  
At the end of broken dreams, He's the open door.  
People need the Lord, people need the Lord.  
When will we realize -- people need the Lord?

We are called to take His light  
To a world where wrong seems right.  
What would be too great a cost  
For sharing life with one who's lost?

Through His love our hearts can feel  
All the grief they bear.  
They must hear the words of life  
Only we can share.

People need the Lord, people need the Lord  
At the end of broken dreams, He's the open door.  
People need the Lord, people need the Lord.  
When will we realize that we must give our lives,  
For people need the Lord.  
People need the Lord
