Sensitive, it's true
Alligator tears cried over you
Over you, over you
Over you, over you

Run around on me
Soon to die without
Run around on me
Die without

Relentless, yes, it's true
My motor mouth runs over you
Over you, over you
Over you, over you

Run around on me
Soon to die without
Run around on me
Die without

Over you, over you
Over you, over you
Over you, over you
Over you, over you

Run around on me
Soon to die without
Run around on me
Die without you

No hissy fits, mind my manners
Won't make a scene, oh
Over you, over you, over you
Over you, over you, over you

Run around on me
Soon to die without
Run around on me
Die without

Rattled yes, it's true
Alligator tears spilled over you

Run around on me
Soon to die without
Run around on me
Die without

Run around on me
Soon to die without
Run around on me
Die without

Over you, over you, over you
Over you, over you
Over you, over you, over you
Over you, over you
Over you, over you, over you
Over you, over you
